120-foot collapsible container for sports stadiums

12V 10AH

Overview

What is Stadium containers?

Stadium Containers specialises in innovative, modular stadium seating solutions built from high-quality shipping containers. We combine smart design with durable construction to create comfortable, stylish, and weather-protected seating for sports venues, schools, and event spaces.

Can I customise the colour of my Stadium containers?

With our stadium containers you get the option to fully customise the colour to better suit your club's branding. Along with the customisation of the size and colours, we also include a club crest printing on the side of each containers. As seen at Qatar World Cup 2022 and more.

Why should you choose a stadium container for Qatar World Cup 2022?

As seen at Qatar World Cup 2022 and more. Our stadium containers mirror the innovative seating solutions showcased at the Qatar World Cup 2022. Designed with versatility and durability in mind, our modular seating structures provide a contemporary, weather-resistant solution for large-scale events.

How many containers can a collapsecon hold?

COLLAPSECON's innovative and fully automated design allows up to 4 containers to be collapsed and combined, giving them a fully laden weight and enabling them to be transported anywhere on a ship. 1/6 COLLAPSECON collapses horizontally, ensuring the container maintains its structural rigidity in any form.
