# **20MWh Photovoltaic Energy Storage Container for New Delhi Base Station**

## Overview

---

Is Indigrid launching a 20MW battery energy storage system in Delhi?

IndiGrid successfully launches 20MW Battery Energy Storage System (BESS) project in Delhi. by Team Small News | | Energy Storage IndiGrid, a leading infrastructure investment trust in India's power sector, has commissioned its maiden commercial battery energy storage system (BESS) project in Delhi.

Which energy storage solutions provider has commissioned BSES Rajdhani Kilokari substation?

AmpereHour Energy, a full-stack energy storage solutions provider, in consortium with Indigrid, has commissioned BSES Rajdhani Power Ltd's (BRPL) 20 MW/40 MWh battery energy storage system (BESS) project at the BSES Rajdhani Kilokari Substation in Delhi.

Which country has approved its first commercial battery energy storage system?

In Short : India has approved its first commercial Battery Energy Storage System (BESS): a 20 MW/40 MWh BESS at Kilokari sub-station in Delhi.

Will India's first battery energy storage system be regulated in 2024?

New Delhi | 08 May 2024 — In a significant step forward for India's energy transition, the Delhi Electricity Regulatory Commission (DERC) has granted regulatory approval of India's first commercial standalone Battery Energy Storage System (BESS) project.
