# **30kW Folding Container for Zambian Steel Plant**

## Overview

---

How can Zambia achieve a 'one-stop construction materials hub'?

We achieve this through continuous improvement and reviewing the effectiveness of quality management system, quality policy and quality objectives. ZAMBIA'S leading steel manufacturing company, Good Time Steel Company (GTS), has set up an Industrial Park that is envisaged to be a 'One stop construction materials hub.

Who is good time Steel Company Zambia?

Good Time Steel Company Zambia Ltd is a duly registered Company in Zambia (Central Africa), transacting business of steel Manufacturing within COMESA & SADCC regions. Our Head-Office is based in Lusaka, the capital city of Zambia.

What is a foldable container building?

The Foldable Container Building is a smart, space-efficient modular structure designed for fast deployment, portability, and long-term use. Ideal for residential, commercial, and industrial applications, this innovative foldable container solution combines mobility with durability, offering a flexible alternative to traditional construction.

What makes a foldable container office a good choice?

The high-performance insulation, built-in wiring, and low maintenance finishes make it an ideal choice for long-term use. Whether you're looking for a foldable container office or a foldable container house.
