# **Albania assembled solar container lithium battery pack 60V**

## Overview

---

Is Vega Solar launching a lithium-ion battery manufacturing facility in Albania?

In the heart of the Balkans, an innovative partnership heralds a new era for Albania's renewable energy sector. Vega Solar, a pioneering Albanian energy firm, has recently unveiled plans for a groundbreaking collaboration with an undisclosed Indian investor, aimed at establishing the nation's inaugural lithium-ion battery manufacturing facility.

Will Albania build its first lithium ion battery plant?

Chief Executive Officer Bruno Papaj said the firm signed a memorandum of understanding with an Indian investor on the construction of Albania's first lithium ion battery plant. The facility is planned to come online within two years, with 100 MW in annual capacity.

What does Vega Solar's strategic alliance mean for Albania?

This strategic alliance, announced by Vega Solar's CEO, Bruno Papaj, marks a significant leap forward in Albania's quest for energy independence and sustainability.

Why does Tirana need Vega Solar?

Furthermore, the country is exposed to drought and often turns to emergency imports. Tirana-based Vega Solar, which develops, installs and maintains rooftop solar power plants, saw an opportunity to contribute to diversification with battery energy storage systems.
