# **Astana power storage system manufacturer**

## Overview

---

Who is Shanghai Zee energy storage technology?

Shanghai ZOE Energy Storage Technology Co. Ltd., established in 2022, is dedicated to providing global users with safe and efficient energy storage product system solutions. The company is headquartered in Shanghai, with joint venture office in Suzhou, R&D center in Changzhou and a fully automated energy storage production center in Fuzhou.

What is China's Energy Storage Center?

Through strategic partnerships with the Chinese Academy of Sciences, Zhejiang University, and the University of Electronic Science and Technology of Chengdu, the center advances the development and application of cutting-edge energy storage technologies. The company operates advanced energy storage factories with a total capacity of 10GWh in China.

Who is Zee energy storage?

ZOE Energy Storage established, with an R&D center that developed liquid cooling ESS and planned a intelligent factory. Product: Launched the Z Box Series ESS and obtained relevant certifications. R&D: Achieved TÜV Rheinland Witnessed Test Lab qualification. Manufacturing: 2GWh factory launched, 12GWh capacity planned.
