Overview

Who is Taurus batteries Namibia?

Taurus Batteries Namibia was established in Windhoek as a convenient warehouse facility for our existing distribution network. We stock the full SBMA (South African Battery Manufacturers Association) range of batteries available for automotive, leisure or deep cycle (solar and golf cart) applications.

Do you stock SABMA batteries?

We stock the full SABMA range of batteries whether your use is for automotive, leisure or deep cycle (solar and golf cart). In addition, we also stock batteries for industrial applications such as forklifts, telephone exchange, power distribution systems and other standby applications.

Who makes Chloride Exide Batteries?

All our products are manufactured and supplied by Chloride Exide Botswana, which is an ISO 9001:2018 certified company. Every process in the factory is closely monitored to ensure the final product complies with International Standards. All our batteries are designed to meet the IEC 60095-1:2018 International Standard.
