Bloemfontein Foldable Container Waterproof Type

Overview

Where can I buy a shipping container in Bloemfontein?

So if you are interested in buying an as-is or converted container, please complete our online form or give us a call, and we will connect you with a leading container specialist in Bloemfontein. A wide range of shipping containers are available for sale through the National Containers network of container companies.

Which restroom containers are available for sale?

Both 12-metre, 6-metre and 3-metre restroom containers are offered for sale. Ablution containers are equipped for stand-alone use and only need a water and sewage connection to function like conventional ablutions. They can be configured with amenities like:.

What is a 3m container?

3 Metre containers are the smallest of the standard container sizes. These containers are the perfect storage solution when only a small area is required. These containers are also perfect to convert when not a lot of space is required. Our network of container companies converts 3m containers into:.

What is a 6 metre container?

The 6-metre container is the middle-size container and is very popular for storage and various conversions where you require a bit more space. They are very popular to convert into: These are the biggest of the standard-size containers and are used for storage where even more space is required. Additionally, they have become very popular for:
