Overview

How much does solar cost in Los Angeles?

With the rebate and incentive programs available to residents of Los Angeles, it is now easier than ever to save money installing solar, which typically costs around \$16,500 for a 5.6-kilowatt installation if purchased outright.

Where can I rent a shipping container in California or Nevada?

If you're looking for shipping container rentals in California or Nevada, you can trust Container Alliance to take care of all your needs. We offer shipping containers in a wide variety of sizes and conditions for lease and for rent across the Southwest.

Where can I buy used shipping containers?

We have inventory available in all different conditions and sizes. Container Alliance is your #1 source for new containers, used shipping containers for overseas shipping or storage solutions. Container Alliance is here to help you needs. Give us a call today +18003862345 to discuss with a container expert.

Are container offices insulated?

At Container Alliance, we offer both 20-foot and 40-foot container offices that are insulated and equipped with windows, doors, and electricity. We also carry 40-foot office/storage combos, giving you even more versatility. All of our mobile offices are made from standard ISO shipping containers, making them extremely durable.
