Cost of a 20-foot collapsible container in Africa

Overview

What size shipping containers are available in South Africa?

Perfect for large item storage, transport, and conversions. The most common container size available in South Africa, these 20-foot units are easy to locate, secure, and perfect for protecting your possessions Available in 20 ft & 40ft sizes, usually in Blue & Green, these shipping containers are as close to perfect as you will get in South Africa.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa:
Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.

Where can I buy a 20ft shipping container?

Here at Container Consumbales, we have a selection of new, one-trip 20ft shipping containers that you can buy. With a volume of 348ft³, there is plenty of room for storage, with the size of the shipping container being less imposing than some of the larger containers, giving you more flexibility over where your container is put.

Can a 20ft container be converted?

Our 20ft containers can be converted for a specific project or application. Our in-house Conversions Team can project manage, design, and convert shipping containers to be used as: portable office units, insulated containers, refrigerated containers, modular buildings, trade show displays, shower blocks, cold rooms and more.
