What is a project in East Timor?

East Timor Projects - Projects come much before tenders in the project life-cycle. Projects are "broad" notices indicating the sector in which the buyer will procure goods or services in future. This helps manufacturers/suppliers to get ready and arrange for resources for the future big orders by East Timor's government.

How big is the East Timor tender market?

The size of the East Timor tender market is estimated to be around US\$1 billion per year. Bidding for tenders in East Timor is extremely lucrative for companies of all sizes. East Timor tendering authorities release contracts for most of the products and services procured by them benefitting small, medium and large enterprises.
