Egyptian Ship Folding Container DC

Overview

Where does China ship to Egypt?

Turning to Egypt, the key entry points for goods shipped from China are primarily Alexandria and Port Said. These ports are critical in handling a significant volume of Egypt's maritime imports and have the infrastructure to support smooth customs clearance and further distribution across the country.

How much does it cost to ship a container to Cairo?

Sea freight to Port Said: \$35 per cubic meter for LCL, \$1,260 for a 20-foot container, and \$2,430 for a 40-foot container. Delivery Times (December 2025): Sea freight to Port Said averages 26–29 days, with schedules largely stable. Air freight into Cairo remains fast at 2–4 days, but rising demand has made capacity tighter compared to August.

What is the cheapest way to ship from China to Egypt?

Sea freight is generally the least expensive option, especially for larger shipments, while air freight and express shipping are more costly but provide faster delivery. What documents are required for shipping goods from China to Egypt?

.

How long does it take to ship from China to Egypt?

The transit time depends on the mode of shipping chosen. Sea freight typically takes about 25 to 40 days depending on whether you choose LCL or FCL. Air freight usually takes between 3 to 5 days, and express shipping can take anywhere from 1 to 3 days. What are the costs involved in shipping from China to Egypt?
