Factory price 480v switchgear in Hungary

Overview

What is a switchgear Revolution?

Switchgear revolution. One of Schneider Electric's revolutionary solutions concerns redefined medium voltage switchgear technology which enters the European market well ahead competition thanks to newly established capacities of a smart factory currently under construction in Dunavecse, located 100 km south from Budapest, too.

Is Schneider Electric Hungary a French company?

One small group that passes by converses in laid-back French – hardly a surprise given that Schneider Electric Hungary is the third largest company with French roots in Hungary.

What is hub power Hungary?

Hub power Hungary plays a key role in the global strategy of the French behemoth. It has been present here since 1991, and by now it has four operational factories and a regional logistics center in the country. The fifth plant, a smart factory in Dunavecse broke ground earlier this year under a HIPAA-guided investment of EUR 40 million.

Does Schneider Electric have a HIPAA-guided smart factory?

Unfortunately, yes, but Schneider Electric, the leader in digital transformation of energy management and industry automation has something to offset that potential harm thanks to its HIPAA-guided smart factory that broke ground earlier this year in Hungary.
