## Overview

---

Who is solar Fiji?

Solar Fiji is a leading solar company in Fiji, dedicated to providing cutting-edge solar and battery power solutions across the South Pacific. Our expertise lies in designing, supplying, and installing reliable energy systems that deliver lasting value for homes, businesses, and communities.

What are the different types of energy solutions in Fiji?

Delivering secure, cost-effective hybrid and utility grade power solutions, for today and the future. Our specialities in Fiji include Solar Energy, Renewable Energy, Hybrid Energy, Distributed Generation, Energy Storage, Off-Grid Energy, Remote Communities, HV, Substations, Grid Connections, Battery Energy Storage Systems (BESS), and Microgrid.

Is solar Fiji a good company?

The technician (Pita) was professional when he came to install our solar system. The system is good. Products are good and quality. Installation team did a good job. I am happy with the solar system. Company is good and original. Customer service very good. Installation team did good job. I am happy with the solar system provided by Solar Fiji.

Why do we need solar power in Fiji?

By harnessing the abundant Fijian sunshine, we aim to power our pristine Fijian paradise with clean renewable solar energy for generations to come, thereby reducing Fiji's reliance on expensive and polluting diesel generation for electricity.
