Frame type outdoor power cabinet

Overview

What is an outdoor type 3 power cabinet?

With durable construction the Outdoor Type 3 power cabinet incorporates tailored thermal systems (fan/filters, air conditioners, Heat exchangers, hybrids and heaters) that will keep even the most sensitive electronics functioning in extreme environments.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What is a Longxing outdoor power cabinet?

LongXing outdoor power cabinet provides flexible size options, offers the ideal enclosure solution to build the whole base station inside.

What is an outdoor type 3 cabinet platform?

The Outdoor Type 3 cabinet platform is designed for a variety of applications and can be tailored to fit your specific needs. This solution has a unique cube design that give flexibility to easily have various heights of cabinets.
