High quality 240 volt breaker in Brisbane

Overview

Where can I buy a circuit breaker?

Embrace the Jaycar advantage, where quality products and expert advice converge to fulfill your electrical protection needs. Shop circuit breakers at Jaycar. Click & Collect today or choose free delivery on selected online orders over \$99. Browse the full range online now!.

What types of breakers are available?

A complete range of panel & flush mount breakers for both low and high current applications. Plus specialist auto blade fuse breakers, auto-reset, PCB, stud surface mount types and rocker switch breakers for protecting equipment from circuit issues. Thermal breakers provide excellent protection for equipment exposed to high temperature conditions.

Can a circuit breaker be used multiple times?

Unlike a fuse, a circuit breaker can be used multiple times. We stock circuit breakers designed for low voltage AC & DC applications including automotive bladed breakers, DIN rail mount circuit breakers, panel mount circuit breakers, and surface mount circuit breakers with manual or automatic reset.

Which 240V equipment should I buy?

Ensure the safety and efficiency of your electrical systems with our range of 240V equipment, including DIN enclosures, safety switch/circuit breaker combos, and power inlets. With popular items from brands like GEN3 and Transco, you can rely on their outstanding quality and performance.
