What is a hybrid solar inverter?

Hybrid solar inverters offer the best of both worlds-on-grid and off-grid. If your solar generation is low, you can pull power from the grid. And when the grid is down, you can use your battery backup to power appliances! Unlike off-grid solar inverters, the hybrid solar inverters remain switched on at all times for an uninterrupted power supply.

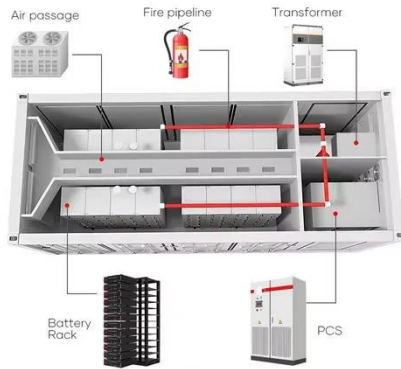

What is Umang hybrid solar inverter?

Umang offers high-quality off-grid and hybrid solar inverter solutions, designed to overcome the limitations of traditional inverters. It is a brand launched by India's leading solar company, Ornate Solar after extensive R&D. The Umang hybrid solar inverter are smart and reliable devices with a transformerless design.

Which is the best hybrid solar inverter?
