Luxembourg Communications 5g base station information

Overview

Where is 5G coverage in Luxembourg?

5G coverage in Luxembourg is mainly concentrated in Luxembourg City and Esch-sur-Alzette with POST offering the most extensive network, followed by Tango and Orange (as shown on the maps in this article).

Which 5G network is best in Luxembourg?

POST clearly has the most extensive 5G network with very dense coverage across the centre, south, east and west of Luxembourg. 5G POST's coverage even extends beyond this, with an entire axis linking the north of the country. Tango comes second according to nPerf.

What color is 5G in Luxembourg?

This map is based on measurements of mobile connection speeds in Luxembourg. 5G is shown in purple. 4G is in red. 3G is in orange. If you wish to view the interactive and updated version of this map you can find it on this page from the nPerf website. Which operator has the best 5G network?

Where can you get 5G in Luxembourg?

.

Which mobile operator has the best 4G coverage in Luxembourg?

Tango appears to be in third place. According to the nPerf maps, Tango's 4G+ coverage is mainly limited to the centre, south, east and west of the country. In the North, the readings mainly indicate conventional 4G speeds. Overall, according to nPerf's measurements, POST is the best mobile operator in terms of 4G and 5G coverage in Luxembourg.
