# **Malta Behind-the-meter Energy Storage Products Company**

## Overview

---

What is Malta's energy storage system?

Malta's grid-scale, long-duration energy storage system helps governments, utilities, and grid operators transition to low-cost, carbon free renewable energy while enhancing energy security. Storing electricity for eight hours to eight days or longer, the solution reduces CO<sub>2</sub> emissions and dependence on natural gas.

Is Malta the first company to commercialize a thermoelectric energy storage system?

Christian Bruch, President and CEO of Siemens Energy, said, "Malta's innovative thermoelectric energy storage system offers a flexible, cost-effective and scalable solution for the storage of energy over long periods of time. With our support, Malta is well positioned to be the first company to commercialize such a solution globally.

Who invested in Malta energy?

CAMBRIDGE, Mass.-- (BUSINESS WIRE)--Malta Inc., a leader in long-duration energy storage, today announced that it has closed on a round of financing provided by a group of investors including Siemens Energy Ventures and Alfa Laval as well as existing shareholders Breakthrough Energy Ventures, Proman, Chevron Technology Ventures, and Piva Capital.

How efficient is Malta's thermal storage system?

Malta's system also achieves a power-to-power charge/discharge round-trip efficiency (RTE) of up to 60%, which is about 50% higher than other thermal storage systems without heat pump charging.

## Malta Behind-the-meter Energy Storage Products Company

---

### Malta Inc: "Our technology provides long-duration storage ...

Swaminathan advises Malta Inc., a startup that could be key for achieving a stable electrical network powered by 100% renewable energy.

### 16 offers made for development of Malta's

The government has received 16 offers for the development of Malta's first large-scale utility battery energy storage systems, Minister for the Environment, Energy and Public ...

### BBVA supports Malta Inc.'s long-duration thermal energy storage ...

According to a 2023 report from the trade association Long Duration Energy Storage Council (LDES Council)--of which Malta Inc., is a member and Breakthrough Energy ...

## 16 offers made for development of Malta's

The government has received 16 offers for the development of Malta's first large-scale utility battery energy storage systems, Minister for ...

## Malta Closes Funding Round for Long-Duration Energy Storage ...

The technology is a grid-scale, long-duration energy storage system designed to help governments, utilities, and grid operators transition to low-cost renewable energy while ...

## Malta, Inc.: Robust Power Grids with Clean Energy Storage

CHALLENGE Malta Inc., a renewable energy storage company, incubated at X, Alphabet's Moonshot Factory, is on a mission to bring an advanced renewable energy storage system to ...

## Malta behind the meter battery storage

Optimal sizing of behind-the-meter battery energy storage. Besides, integrating PVs with battery energy storage systems (BESSs) enhances energy efficiency and power supply flexibility for ...

## Malta Closes Funding to Deploy Its Long-Duration Energy Storage ...

Malta's grid-scale, long-duration energy storage system helps governments, utilities, and grid operators transition to low-cost, carbon free renewable energy while ...
