Overview

How does Marshalls Energy Company pay a project?

All project payments are in the form of checks from the renewable energy account and require two approved signatories, one each from MEC and the Min. of R&D. Marshalls Energy Company is audited every year by the international Auditing Firm Deloitte and the accounts for this program will be included as part of the annual MEC audit operation.

Who audits Marshalls Energy Company?

Marshalls Energy Company is audited every year by the international Auditing Firm Deloitte and the accounts for this program will be included as part of the annual MEC audit operation. With the management systems in place, progress is now being made with the activation of the Mejit Island installations.
