Middle East Uninterruptible Power Supply Equipment Customization

Overview

Who is Middle East manpower supply?

Throughout the years Middle East Manpower Supply (MEMPS) has manufactured a strong and dependable association with our clients to help them with their labor prerequisites - both provisional and perpetual.

Why do you need uninterruptible power supplies?

Our uninterruptible power supplies protect critical industries today and our electrical energy conversion systems are shaping a more secure and sustainable future. Our uninterruptible power solutions protect against mains power issues to ensure safe operation, protect people and reduce the risk of downtime and system failures.

What is a Deutz Power supply agreement?

The agreement includes the delivery, engineering, installation, commissioning, and long-term maintenance of approximately 150 high-reliability uninterruptible power supply systems. DEUTZ Spain has chosen AEG Power Solutions to provide power supply and services for the electrolyzer of a new pilot plant to produce hydrogen in Zafra, Spain.
