Overview

Who is New Zealand solar power?

New Zealand Solar Power is a NZ owned and operated company that provides solar power solutions to Kiwi homes and businesses. Our approach is simple: Determine whether solar is right for our clients and design a tailored solar power solution to meet their needs. 2025 © New Zealand Solar Power Ltd | All rights reserved. New Zealand Solar Power Ltd.

Are solar power systems a good investment in New Zealand?

We discuss our clients' requirements and provide a detailed Energy Management Solution to meet their needs. Solar power systems are a fantastic investment, wherever you are in New Zealand. For a start, your electricity bills will reduce, plus you will be protected from fluctuations in electricity prices.

Which banks offer green energy finance in New Zealand?

All major banks in New Zealand offer green energy finance options, enabling their customers to install solar systems, air conditioning, ev charging systems and home batteries for little to no interest cost. How much is your monthly energy bill?
