

BLINK SOLAR

Papua New Guinea energy storage power supply customization enterprise

Overview

Does Papua New Guinea supply solar panels?

We are proud to have already supplied 23 mini-grid projects and over 2MW of solar panels in the last 12 months in Papua New Guinea! At PNG Solar Supply, we want to provide you with the tools you need to set up your solar systems.

Who is png solar supply?

At PNG Solar Supply, we want to provide you with the tools you need to set up your solar systems. We are an experienced Papua New Guinean owned business focused on offering products from diverse manufacturers to best suite your needs. We have a team that is able to help with design, and we handle everything for you.

What are Huijue group's energy storage solutions?

Huijue Group's energy storage solutions (30 kWh to 30 MWh) cover cost management, backup power, and microgrids. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an innovative base station energy solution.
