## Overview

---

How much energy investment will Cambodia invest in 2024-2029?

Cambodia Reviews \$5.79B Investment In Energy Projects For 2024-2029./Image credit: Fresh News. Twenty-three new energy investment projects totalling a value of USD 5.79 billion were reviewed by the Council of Ministers during a cabinet meeting chaired by Cambodian Prime Minister Hun Manet on Septem.

How many power stations are there in Cambodia?

Of these, 21 are power station projects with a combined capacity of 3,950 MW, and two are large-scale storage projects with a capacity of 2,000 MW. "These projects will play a crucial role in meeting Cambodia's electricity demand," the government statement said.

How can Cambodia improve energy security?

"These projects will enhance Cambodia's energy security by reducing reliance on imports and boosting domestic clean energy sources like solar, wind, hydropower, and biomass," the statement added.
