# Price of 20-foot energy storage containers in India

## Overview

---

How much does a shipping container cost in India?

The shipping container cost in India or any other country mainly depends on the grade of the shipping container. Which means investing around Rs. 2,50,000 would bring you a dedicated space of your own which could be turned into any type of room.

How to ship a 20 ft container to India?

Shipping a 20 ft container to India involves several crucial factors that influence the overall cost and duration of transit. Key considerations include the distance between the origin and destination, the choice between FCL and LCL shipping, the nature of the goods being shipped, and the selected shipping route.

What are the different types of shipping containers in India?

Pelican Containers provides a wide range of shipping containers, including 10-foot, 20-foot and 40-foot containers. Whether you need a standard dry container or a specialized one, we have you covered. You can find out the price of used shipping containers in India or the prices for new ones in Pelican Containers.

Where to buy used shipping containers in India?

Pelican Containers is committed to delivering high-quality and durable shipping containers. Our used shipping containers for sale in India undergo rigorous inspections to meet international standards. We source used 40-foot container prices in India from reputable sources to guarantee their structural integrity and longevity.
