Rigashen Energy Power Plant Energy Storage Project

Overview

Who is risen energy green power (Zhejiang)?

Risen Energy Green Power (Zhejiang) Building Materials Co., Ltd., a wholly-owned subsidiary of Risen Energy Co., Ltd., focuses on building-integrated photovoltaics (BIPV).

Who is risen energy?

Risen Energy, one of the global leaders in the manufacturing of photovoltaic modules and energy storage solutions (BESS), is reinforcing its presence in Europe with the opening of its headquarters in Madrid.

Where are lithium energy storage projects based?

With next-generation air-cooled and liquid-cooled lithium energy storage products and holistic solutions, its energy storage projects that have been put into operation are spread across domestic and international markets such as Europe, the US, and the Asia-Pacific region.

Does risen energy have an ESG score?

On October 14, Risen Energy celebrated a landmark achievement, earning an ESG (Environmental, Social, and Governance) score of 65 from S&P Global, positioning itself among the top 5% of companies in the global semiconductor industry.
