## Overview

---

Where can I find reliable and future-proof energy solutions in Auckland?

Looking for reliable, future-proof energy solutions in Auckland?

Apollo Energy is your trusted partner in designing, installing, and maintaining residential and commercial solar systems across the Auckland region.

Are solar power systems a good investment in New Zealand?

We discuss our clients' requirements and provide a detailed Energy Management Solution to meet their needs. Solar power systems are a fantastic investment, wherever you are in New Zealand. For a start, your electricity bills will reduce, plus you will be protected from fluctuations in electricity prices.

Are solar power and battery storage the future of energy?

Clean, safe, renewable solar power, EV charging, and battery storage are the future of energy. Astech are true professionals when it comes to renewable energy. With over 1,000 domestic photovoltaic (PV) and battery installations under our belt, we have consistently provided reliable solutions and exceptional customer service.

Who is New Zealand solar power?

New Zealand Solar Power is a NZ owned and operated company that provides solar power solutions to Kiwi homes and businesses. Our approach is simple: Determine whether solar is right for our clients and design a tailored solar power solution to meet their needs. 2025 © New Zealand Solar Power Ltd | All rights reserved.
