Where to buy solar panels in Kenya?

Burhani solar is the best, this is the place to shop, they sell quality solar panels, batteries, solar charge controllers, bulbs e.t.c We are located on Abdel Nasser Rd, opposite Burhani Tower, Mombasa, Kenya. Burhani Solar has been providing sustainable power solutions in Kenya since 2005.

Are solar water pumps reliable?

They are reliable because they will keep running provided the sun is shining – which is always. Solar water pumps prices in Kenya vary depending on the power and the flow rate of the pump you want. The higher the power, consequently the higher the price.

What is a solar water pump?

Solar water pumps are becoming a common sight with many people in the country and especially small scale farmers. A solar water pump, is a water pump that uses the energy from the sun as its source of fuel. These pumps are a modern invention that many big brands are adopting to meet the demands of their clients.
