Sri Lanka Energy Storage Cabinet Control Cabinet Factory

Overview

Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.

Why should you choose Machan for your energy storage enclosure?

Machan has extensive experience in the manufacture of outdoor enclosures, enabling us to meet the diverse needs of energy storage enclosure customers across a range of industries and applications.

Why should you choose energy storage cabinets?

This ensures that energy storage cabinets can provide a complete solution in emergency situations such as fires. To accommodate different climates, we provide professional recommendations based on customer usage scenarios and requirements.

What are the benefits of a low-voltage AC-side cabinet integration?

Low-voltage connection for AC-side cabinet integration, ensuring zero energy loss
Four-in-one Safety Design: "Predict, Prevent, Resist and Improve"
Predict: AI-powered big data analytics for 8-hour advance fault prediction
Prevent: High-precision detection provides 30-minute early warnings
