

BLINK SOLAR

Swiss energy storage solar container lithium battery manufacturer

Overview

Who is lithium system?

LiTHiUM System, formerly LiTHiUM Storage GmbH, headquartered in Illnau, Switzerland, has been supplying customers throughout Europe with high-quality lithium iron phosphate (LiFePO₄) batteries since 2010. As one of the first in Europe we have added NMC cells with a high energy density to our assortment.

Who makes Swiss clean battery?

When building the factory and equipping it with the necessary production facilities, Swiss Clean Battery draws on established and renowned partners. Jonas & Redmann (Berlin), Munters (Hamburg), Dalex (Knowledge) and Metha Bau (Amriswil), for example, are on board.

What is a lithium battery storage & energy management system?

With our upcycled lithium battery storage & energy management system, you can leverage the power of renewables to mitigate costs and decarbonize your business. Our BMS-certified, fire-protected commercial energy storage systems help energy-intensive sectors like agriculture, logistics, recycling and manufacturing meet their ESG commitments.

Who makes lithium batteries?

LiTHiUM System works closely with partners in the immediate vicinity for the quantitative and qualitative production of prototypes. The lithium batteries from LiTHiUM System GmbH have already received several international awards, such as the 360 degree MOVE Award.

Swiss energy storage solar container lithium battery manufacturer

Sales and engineering of lithium batteries

The battery cells are characterized by their high storage capacity (up to 400Ah) in a wide temperature range (-30°C to +55°C), high reliability and safety. Through extensive exclusive ...

Why Swiss Energy Storage Lithium Battery Manufacturers

...

The Swiss energy storage lithium battery industry isn't just selling products--it's crafting a blueprint for sustainable tech. From chocolate factories to robot-staffed labs, they're ...

Energy Storage Suppliers In Switzerland

BTRY is a start-up based in Dübendorf, Switzerland, and a spin-off of EMPA and ETH. From the lab to the market - at BTRY, we are developing the industry's first energy-dense solid-state ...

Top Battery Storage Companies in Switzerland

Leclanché SA is a leading manufacturer of advanced energy storage solutions, particularly in lithium-ion technology. Their expertise in customized battery systems and management ...

Swiss Clean Battery

Wir machen saubere Energie bezahlbar! Swiss Clean Battery AG, based in Frauenfeld, is implementing one of the first series production plants for solid-state batteries in ...

Global Directory of Solar Battery Storage Manufacturers

Solar Battery Storage Systems Manufacturers from Switzerland Companies involved in Battery Storage Systems production, a key component of solar systems. 11 Battery Storage Systems ...

Green Energy Storage o 100KWh

With our upcycled lithium battery

storage & energy management system, you can leverage the power of renewables to mitigate costs and decarbonize your business. Our BMS ...

Top Battery Companies In Switzerland In 2025

Switzerland is home to several battery companies that specialize in producing advanced and innovative battery technologies. These companies offer a range of solutions for various ...
