Switchgear equipment in China in France

Overview

Which is the best switchgear manufacturer in Europe?

This switchgear manufacturing company is considered the biggest industrial manufacturing firm in Europe along with branch offices across the globe. Siemens is one of the best switchgear manufacturers along with annual revenue of over \$83 billion across the worldwide market. Ultimately, Orecco is switchgear manufacturer located in China.

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.

Who is Doho electrical equipment & switchgear?

DOHO is one of the top electrical equipment and switchgear companies in the world, specializing in the production of low-voltage and medium-voltage switchgear as well as key components such as circuit breakers, relays, contactors, and protectors.

What is LV switchgear?

LV (Low voltage) switchgear is an engineered solution used to control, protect, and isolate electrical equipment or systems to allow work to be done and clear faults quickly and safely when required.
