

BLINK SOLAR

Warranty for 120-foot Canadian Solar Storage Container

Overview

Does Canadian Solar offer a limited warranty?

This Limited Warranty Statement applies only to Canadian Solar Inc. (“Canadian Solar”) inverters and inverter accessory products as further defined below (collectively, “Products”), sold and installed in the United States and Canada. Inverters: Components allowing for DC input current conversion into AC output current.

Do Canadian Solar inverters have a warranty?

Subject to the exclusions contained below, Canadian Solar warrants to the original buyer (the “Buyer”) that Canadian Solar inverters will be subject to a 10-year limited warranty and Canadian Solar inverter accessory products will be subject to a 2-year limited warranty (collectively, the “Limited Warranty”).

Which CS3 modules are covered by a limited warranty statement?

This Limited Warranty Statement applies only to the following module types (“Products”) of Canadian Solar Inc. (“Canadian Solar”): CS3K-XXXP, CS3U-XXXP, CS3W-XXXP, CS3W-XXXMS, CS3L-XXXP, CS3L-XXXMS, “XXX” in the type replaces the rated output of the module (Pmax), for example “CS3K-300P”.

What happens if Canadian Solar products are discontinued?

Canadian Solar reserves the right to deliver a similar product (of similar size, color, shape, and/or power output) in replacement of the affected Products if production of the affected Products is discontinued or such product is otherwise unavailable.
