

BLINK SOLAR

Wellington outdoor power box manufacturer

Overview

Who is Powerbox Pacific?

With 30 years of experience supporting New Zealand's power supply, energy storage & power generation sectors, Powerbox Pacific is backed by the broader Australian team; a business built on the foundations of family, trust, and community. Your success is what drives us.

What is a builders temporary power supply box?

The Builders Temporary Power Supply Box enables builders and other tradespeople access to an electricity supply on a worksite where temporary power is required. The plastic construction provides a strong, durable, and weather resistant enclosure to protect the electrical equipment. The bright red colour makes it stand out on the building site.

Why should you choose Powerbox Pacific?

Powerbox products are trusted in a wide range of industries, from Dairy & Automation to Waste Water Treatment and many more. Powerbox Pacific is committed to elevating excellence in your industry with cutting-edge battery chargers and converters. Partner with us to unlock your project's potential as you explore our innovative solutions.

Why should you choose Powerbox products?

Powerbox products are carefully designed with the latest technologies to meet the rigorous demands of the industrial market, even in challenging New Zealand conditions. Maintain a competitive edge in today's challenging business landscape with Powerbox.
