Why did ups refuse to deliver to Belgium?

This has been the absolute worst courier experience of my life. We paid in full for UPS Express to deliver just three small boxes to Belgium. Despite the invoice (202500042233) being fully paid and confirmed by UPS, the driver refuses to deliver the parcels because their system falsely shows an outstanding balance.

Is ups standard service available for international shipments?

Yes, UPS Standard service is available for national but also for international shipments in Europe. This option is available in the EU, the UK, Liechtenstein, Norway, and Switzerland. For shipments out of these countries, you can select UPS Worldwide Expedited or any other service available.
