Which UPS is the best in Bolivia

Overview

Do you prefer a courier or a delivery service in Bolivia?

Bolivia does not have any such equivalent, another reason I prefer couriers - depending on the weight, you might actually pay less at a courier AND you can track your package.

Does Bolivia have a post office?

Their main office addresses are listed below and some of them have several branch offices as well. In Bolivia the post office does not deliver to homes and businesses in a normal, regular (or timely) manner. But that's just the problem: it also sometimes does. Most people and businesses have Post Office boxes.

Where can I buy a stamp in Bolivia?

Look for a small, round counter with a sign that says CORREOS DE BOLIVIA or ECOBOL in the middle of the hallway. You can buy stamps and send (but not receive) mail here. One last reason you might prefer a courier: the Bolivian Post Office does not offer package pick up service from your home or office.

What time does the post office open in Bolivia?

However, couriers usually do cost much more than the regular post, so if you must use the post office (Empresa de Correos de Bolivia, or ECOBOL as it is known here), it is open Monday to Saturday from 8:00 a.m. to 7:00 p.m. and Sundays from 9:00 a.m. to 12:00 noon and is located just a half block from the central plaza (24 de Septiembre).
