

BLINK SOLAR

Wholesale solar power system in Auckland

Overview

Who are NZ solar installers?

Trusted by NZ installers. We supply premium solar panels, inverters, batteries, cables, and mounting systems — all in stock locally for fast delivery. Our global brand partnerships mean proven performance and reliability. Expect sharp pricing, responsive service, and tech you can trust — so your installs are faster, easier, and more profitable.

Who is New Zealand solar power?

New Zealand Solar Power is a NZ owned and operated company that provides solar power solutions to Kiwi homes and businesses. Our approach is simple: Determine whether solar is right for our clients and design a tailored solar power solution to meet their needs. 2025 © New Zealand Solar Power Ltd | All rights reserved. New Zealand Solar Power Ltd.

Why should you buy a solar power system in Auckland?

Perfect for Auckland homeowners who want to stay connected to the grid while enjoying significant savings on energy bills. Ideal for those seeking energy independence and backup power during outages, while still maintaining a grid connection.
